Tony Gordon is one of the best known names in the world of financial services.

In 2001 he became the first President of MDRT from outside North America – having had the unique distinction of having served both as Chairman of MDRT's Top of the Table and as President of the UK's insurance agents association.

As a speaker, he has spoken in 56 countries.

He is the author of the best selling book "It Can Only Get Better", Tony's route to sales success.

This 55 year veteran of the financial services profession has been an MDRT member for 47 years and a Top of the Table member for 46 years. He was featured as one of the 12 outstanding life insurance sales people in the book commissioned by MDRT entitled "*The Greatest Insurance Stories Ever Told*".

Now retired, or as Tony prefers to say "rewired", he focuses his time mentoring other advisers, speaking, looking after his other business interests and spoiling his five grandchildren.
