- *Working in the life insurance industry from 2014, Svetlana has achieved remarkable results by balancing her roles as a wife, mother and a businesswoman while consistently qualifying for the MDRT. In full nine years in the career of a finance advisor she is 8 times MDRT member with COT and TOT qualifications.*
- *Svetlana is recognized as one of the top finance advisors in Lithuania, the first and the only one MDRT TOT member in Lithuania, working with business owners, and the unbeatable number one finance advisor in Allianz Lithuania for consecutive years.*
- *She is one of the BNI business referrals chapters co-founder and Director, representing more than 40 different business owners. Bringing unparalleled expertise to the field, she is also an international speaker, sharing her practice worldwide.*
- *No matter how challenging the market and the life is, she believes, advisors can thrive with timeless strategies like maintaining the right attitude, high activity, discipline and more.*
